

AQUAVUE

WORLDS #1 APP FOR BOAT ENTHUSIASTS WORLDWIDE

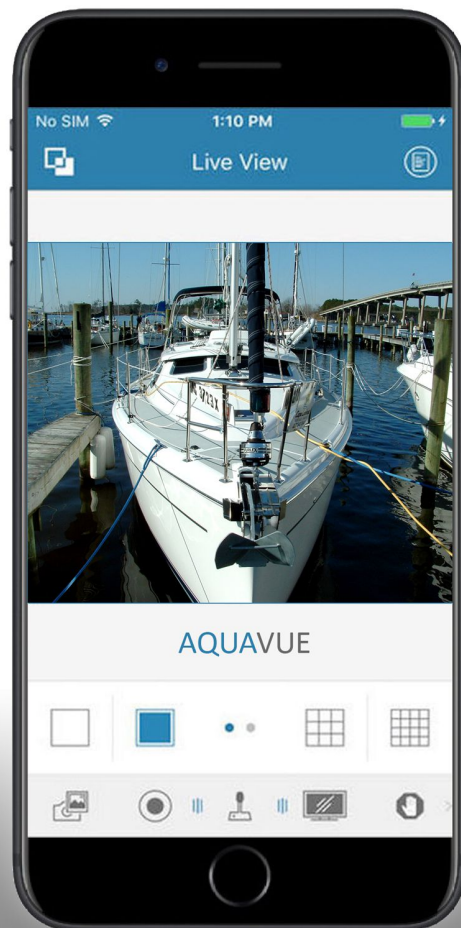

SEE YOUR BOAT FROM ANYWHERE

24/7

The Future of Marina Security.

AquaVue is the first of its kind, fully versatile boat security system that provides 24/7, peace of mind to all of its users. We start with high resolution 3 and 4 Megapixel High resolution cameras that boast a hefty h.265 compression and in (some) applications, hi-fi audio. The AquaVue users are then provided with a Mobile Phone application to view, playback, and record LIVE streaming footage of their vessel, at ANY time, from ANY where!

24/7 Live Viewing

See your boat from anywhere in the world, live 24/7

FREE High Speed Wifi

Includes access to high-speed wifi right at your slip!
Dont waste data when you can surf for FREE

Check The Water!

With our BayVue camera, you can take a look at the water before you head out, right from a mobile device

AQUA VUE

PERSONAL VESSEL SURVEILLANCE

WELCOME TO AQUAVUE

CONGRATULATIONS! YOUR MARINA HAS BEEN SELECTED FOR THE OPPORTUNITY TO PARTNER WITH ONE OF THE MOST GROUNDBREAKING ADVANCES IN MARINA TECHNOLOGY THIS CENTURY. WE ARE **AQUAVUE**, THE INTUITIVE OMNI-SOLUTION THAT AIMS TO PROVIDE BOTH MARINAS AND BOATERS ACROSS THE UNITED STATES WITH MULTIPLE CONVENIENT SOLUTIONS VIA OUR PATENTED IOS APPLICATION. WE PARTNER WITH MARINAS TO BRING YOU A NEW STREAM OF ANNUAL REVENUE AT YOUR MARINA. START MAKING \$ TODAY WITH A PRODUCT THAT YOUR BOAT-OWNERS WILL CHERISH AS IT ENSURES THEIR ASSET'S PROTECTION AND SECURES THEIR PEACE OF MIND, WHILE THEY ARE AWAY FROM THE DOCKS.

OUR PROGRAM AS YOU WILL SOON LEARN IS PREPARING FOR AN AGGREGATE LAUNCH AND A SALES FRENZY ACROSS THE ENTIRE BOATING / YACHTING / FISHING COMMUNITIES. WE ARE THE FIRST OF OUR KIND, WE ARE THE MONOPOLY OF OUR MARKET, AND WE ARE PROVIDING SOMETHING THAT IS BENEFICIAL FOR EVERY SEPERATE PARTY INVOLVED, INCLUDING (MOST IMPORTANTLY) YOURSELF.

A GENUINE PRODUCT + A CAPTIVATING PURPOSE
SCALABLE TO ANY AMOUNT OF SLIP USERS
AN APP UNLIKE ANY OTHER OF ITS KIND.
RESIDUAL INCOME WITH FAST ROI FOR PARTNERS
CONSTANT APP UPGRADES TO IMPROVE + EVOLVE

HOW WE PROFIT YOU

Your only cost of partnership is a % of the system Installation price, after that, you PAY NOTHING. We are PARTNERS now! Your marina should receive a cut of the profit, dont you think? Every Marina that partners with AQUAVUE will receive an annual check for a % of OUR seasonal earnings, EVERY year for the remainder of the term of Contract. The additional source of revenue back to your marina can go towards funding new improvements to your location, upgrades to your equipment, or simply additions to your facility. We want you, as the Marina, to understand that you are not a client of ours, but now a Partner in a revolutionary technology company. **THE MORE WE MAKE -- THE MORE YOU MAKE!**

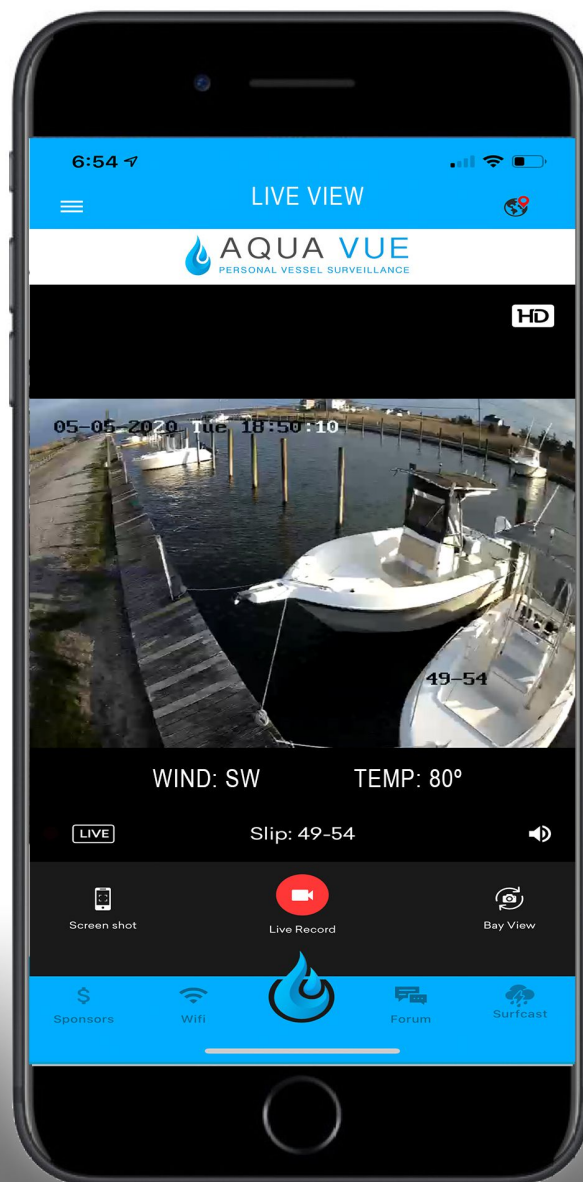

SELLING TO BOATERS

We encourage every Marina to Reach out and inform their slip users of our program and how easy it is to sign up. (Less than 5 mins) -- However upon completion of your AquaVue System, our company deploys an entire Sales Team delegated to YOUR marina for the Entire Season. Your sales team will be responsible for registering new member sign-ups, creating customer awareness and informing clients about the exciting new features of our program. We aim to make AQUAVUE a program that EVERY boater can benefit from. Whether youre a seasoned sailor or a seasoned vet, we can help to assist you, however possible.

Mobile Application

Our powerful mobile application allows users to view their boat or personal watercraft from anywhere in the world, 24 hours a day, 7 days a week. With features like Live View, Remote Playback, Motion Detection alerts and advanced user integration, we can provide the fastest and most efficient platform for our AquaVue Vessel Security clients. This is where peace of mind meets convenience

AQUAVUE IP CAMERAS

- 4MP HIGH RESOLUTION IMAGE
- FULL HD1080P VIDEO
- DUAL VIDEO STREAMS
- 4 MM FIXED LENS
- 120 dB WIDE DYNAMIC RANGE
- 3D DIGITAL NOISE REDUCTION
- SMART FEATURES
- PoE (802.3AF)
- IR RANGE 30 METERS (~100 FEET)
- IP66 AND IK08 PROTECTION
- AUDIO AND ALARM I/O
- EDGE STORAGE, MICROSD SLOT, 128 GB

USER ACCESS

Users will have restricted access to the specific camera that faces their vessel. Each user's IP address is logged at the first time of sign-in, and will be the only IP address allowed to access the cameras as per their seasonal subscription to AquaVue. If a user would like to add a client IP, they may purchase an additional license.

REMOTE PLAYBACK

Our Commercial Grade NVR Systems allow AquaVue clients to remotely play back the recorded security camera footage of their boats at ANY point, as well as locally record and screenshot key events. This can be offered as an inclusive or an additional to the main AquaVue subscription by the user.

WATERPROOF

Tamperproof dome camera for harsh weather and high risk conditions. The camera is 600TVL and equipped with 42 IR LEDs for night vision. Tough and weatherproof, provides an excellent day and night image that surpasses some higher priced cameras. A great value for your video surveillance needs. This model comes with vari-focal lens.

- Hi-Speed WIFI 1GBPS Bandwidth capable of multiple devices.
- Secure Firewall and VPN to keep your data safe.
- Fast login and connection with Auto-Updating passkey.
- Blazing FAST upload speeds for sending data out of the network.
- Work from the water or enjoy entertainment 24/7 .
- AquaVue LTE Portal allows for off-shore internet connection (inquire)

SMART-GATE ACCESS SYSTEMS

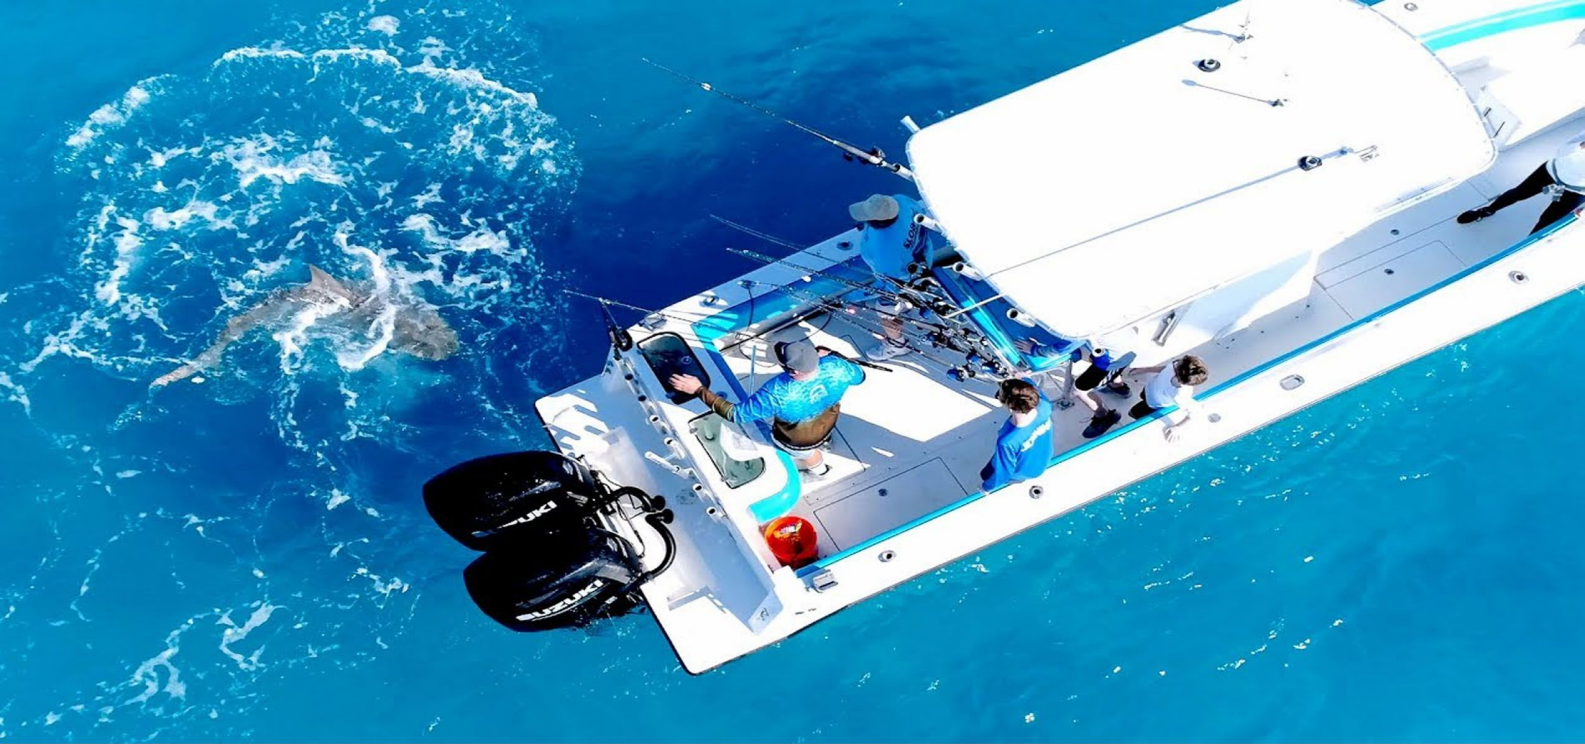

AquaVue offers a full line of gate access systems to restrict user access on the dock area at all times. You can match, pass and go provided your credentials are valid. Our AquaAccess software allows Marina administrators to monitor client access to the docks as well as who and when came past the gate. This synchronizes with our AquaVue camera software to allow marinas to also log video clips of guest entry to and from the docks, in the event of an emergency or unwanted guest approaching.

FACE RECOGNITION ACCESS

MATCH - PASS - GO with our instant access facial recognition system. A new level of security for marinas to secure access to their docks based on face rather than the conventional RFID key system. This system also can require RFID key as an additional layer of security. Available with all gate / door access systems by AquaVue.

BILGE WATER DETECTION + ALERT SYSTEM

RECEIVE INSTANT REMOTE NOTIFICATIONS WHEN WATER IS DETECTED IN YOUR HULL!

HELP PREVENT UNWANTED BOAT SUBMERSION + PROTECT YOUR VESSEL
